

**REMARKS**

Applicant files the present 312 amendment to correct certain informalities. In particular, claims 1, 6, 8 and 13-14 have been amended to state "one or more Voice-over-IP devices" instead of "Voice-over-IP device" or "one or more Voice-over-IP device" or "one or more devices" to maintain consistency/proper antecedent basis throughout the claims.

Claim 3 has been canceled as the limitations therein were previously included in the associated independent claim. The cancellation of claim 3 necessitated amendment to claims 5-7 and 9 to depend from claim 2 to avoid having these claims depend from a canceled claim.

Claim 17 has been canceled as the limitations therein were previously included in the associated independent claim. The cancellation of claim 17 necessitated amendment to claim 18 to depend from claim 15 to avoid having claim 18 depend from a canceled claim.

Respectfully submitted,
